### PRE-SHOW TIPS

- **Submit orders early to receive the discounted rate** – This can be done by completing the necessary forms found in this kit or online at <https://order.vipertadeshow.com>. Standard pricing will apply to all orders received after the published deadline and at show site.
- **Preparing freight shipments** – We strongly urge you to send your show freight to the advance warehouse. Some cost-saving tips are to have all your freight delivered in a single shipment on an LTL freight carrier & arrange for the freight to be received on or before the Late to Warehouse Deadline to avoid late charges. **Material handling applies to every shipment received.**
- **Review Quick Reference Page** – It is helpful to be familiar with the important dates outlined along with the show schedule. Be sure your travel plans accommodate for a smooth setup and move out; the return of the empty freight can take at least an hour after the close of the show.
- **Shipment tracking** – It is recommended you track your shipment prior to the show to confirm it has been delivered. You can send the tracking information to your Viper Show Coordinator as soon as your freight is shipped.

### SHOW SITE TIPS

- **Viper Service Desk** – The service desk will be located on the show floor for any questions or show site orders.
- **Booth orders & freight delivery** – A booth and freight check will be completed prior to setup and everything that was pre-ordered and/or sent to the Advance Warehouse will be in your booth. A Viper representative will be at the Viper Service Desk if you see any discrepancy. Credits are not provided to claims made post show.
- **Empty Storage** – Material Handling (drayage) service includes the storage of empty containers for the duration of the show. “Empty” stickers will be available at the Viper Service Desk. One sticker is to be placed on each of your empty crates/skids/boxes/ or items you want Viper to store. All items will be returned at the close of the show but can take at least an hour to all be returned.
- **Labor orders** – All exhibitor supervised labor orders will need to check in at the Viper Service Desk once ready for the labor.

**POV's need to receive a slip from the VIPER Desk to be able to go in and out of the Lucas Oil Stadium Docks per the Security Guards' Team and Stadium request. Without the proper form you will be denied entry due to security and liability reasons - please email [ashley@vipertadeshow.com](mailto:ashley@vipertadeshow.com) for more information**

## ARRIVING / MOVE IN INSTRUCTIONS & PROCEDURES

---

In order to further simplify your arrival and departure into the Lucas Oil Field for move in & out to the Mid - America Pool, Spa and Outdoor Show, below are several points and or in some cases particular steps that must be taken and adhered to in order to properly and safely arrive, off-load, load out and depart the show.

### Arrival/ Move In:

- **GUARD SHACK:** Please see the map attached. All drivers must check in at the Guard Shack #4 which is located on S. Missouri Street. Due to strict security reasons those individual and exhibitors must have the Exhibitor Name, Name of the Primary Contact of the Exhibiting Company and the Booth Number. It is imperative that your driver know all of this information or else they will not be permitted to access the building until they have been cleared by Show Management, Viper Tradeshow Services and the Lucas Oil Field Security department.
- **POOL DELIVERIES:** For those Companies that will be displaying pools on the show floor, and these will either be handled and moved by Viper Tradeshow Services or they will be moved by the exhibiting company, the Pool Questionnaire must have been completed and received well in advance of the arrival of the pool. The appropriate fees will apply based on the level of assistance being supplied by Viper Tradeshow Services. Once we have received the completed Pool Questionnaire, Viper Tradeshow Services will be in contact with you to assign you a specific/ target arrival time on move in day. It is imperative that you are on site and prepared to move your pool into place. Failure to arrive at your appointed time could jeopardize your pool not being able to be placed on the show floor. Show Management and Viper Tradeshow Services reserves the right to decide this on site at the time of the matter.
- **SPA DELIVERIES:** For those Companies that will be displaying spa(s) on the show floor, and these will either be handled and moved by Viper Tradeshow Services or they will be moved by the exhibiting company, the Spa Questionnaire must have been completed and received well in advance of the arrival of the spa(s). The appropriate fees will apply based on the level of assistance being supplied by Viper Tradeshow Services. Once we received the completed Spa Questionnaire, Viper Tradeshow Services will be in contact with you to assign you a specific/ target arrival time on move in day. It is imperative that you are on site and prepared to move your spa(s) into place. Failure to arrive at your appointed time could jeopardize your spa(s) not being able to be placed on the show floor. Show Management and Viper Tradeshow Services reserves the right to decide this on site at the time of the matter.
- **“PERSONAL OWNED VEHICLES” -POV’s (anything vehicle smaller than a 12ft truck)**  
For the move in, it is imperative that you check in with the Guard Shack as noted above. Upon arrival in the loading dock, you will be assigned a dock by Viper Tradeshow Services once and when a dock space is available. You will be permitted the time necessary to off load and move your items to your booth space. Once the vehicle has been off loaded, it will need to be moved immediately from the loading dock area and parked in the respective parking lot. We ask that move your vehicle as quickly as possible to allow another exhibit the same convenience of off-loading.

Failure to adhere to the instructions as noted above for both the arrival and departure processes could result in delays for both the move in and move out.

***Please note that a Certificate of Insurance (COI) will be required for all pools and spas that will be delivered and displayed on the show floor.***

## DEPARTING / MOVE OUT INSTRUCTIONS & PROCEDURES

---

### Departure/ Move Out (POOLS/SPA/POV'S):

For the move out, in order to properly service all parties, you will need to be completely packed up and prepared to move out. Upon completing your dismantle and packing up, please check in and report to the Viper Tradeshow Exhibitor Service Desk. Upon check in at the Service desk your name and booth number will be placed on the list of exhibitors needing access to the loading dock area for load out.

Once we have cleared you for access to the loading dock, you will be instructed to retrieve your vehicle and report to the Guard Shack for further clearance. Upon entering the loading dock area, Viper Tradeshow Services will assign you a dock space to occupy until you have completed your load out. Under no circumstances will you be permitted into the loading dock area unless you have first checked in at the Service Desk and then have been given approval to retrieve your vehicle. This is being done so that we can have an orderly, safe and secure load out process for all parties.

For those needing access into the hall to drive into the building and onto the floor, we will only permit this access once the majority of the exhibitors have vacated and the deco equipment including carpeting has been properly removed and secured to create an unobstructed access to the floor as well as one when departing once your freight has been loaded. This access will only be given to those who actually, drove onto the floor at the time of move in.

Failure to adhere to the instructions as noted above for both the arrival and departure processes could result in delays for both the move in and move out

## VTS MATERIAL HANDLING TERMS & CONDITIONS

Advance shipments will be accepted at the Viper Tradeshow Services warehouse and allowed up to 28 days free storage if delivered by the advance deadline receiving date listed below, and includes delivering freight direct to the exhibitor's booth storage of empties during the show, delivery of empties at the end of the show to an exhibitor's booth, and turning in Bill of Lading to the service desk and loading of materials onto outbound transportation carrier. Show Site shipments receive the same services except for warehouse storage.

### Special Handling 30% Surcharge

Special Handling rates shall be applied to the total standard charges, but are not limited to the following types of shipments. Multiple scenarios may incur multiple special handling charges.

<b>Van Line Shipments</b>	All Shipments delivered by a Van Line Carrier will be charged special handling due to additional labor/handling, designated unloading/loading, etc.
<b>Loose Freight</b>	Shipments packed in such a manner as to require special handling (i.e., loose display parts, loose carpet rolls unskidded, uncrated equipment, stacked freight, etc.) regardless of the kind of carrier or vehicle used, including small package shipments.
<b>Mixed/Undetermined Description</b>	Description of the shipment is such that the type of materials or equipment cannot be determined (i.e., 1 lot 20 assorted pieces, etc.) Including any mixed lot/multiple shipments that are delivered together.
<b>Must be Delivered by Hand</b>	Materials must be moved "by hand" to the booth due to facility situations beyond Viper Tradeshow Services' control (i.e., elevators, rooms forklifts cannot be used, etc.)
<b>Small Package Carriers (SPC)</b>	The use of small package carriers such as FedEx, UPS, DHL, etc. do not provide BOL and deliver large quantities on the dock requiring additional time to sort and identify.

### Overtime or Off Target 30% Surcharge

Shipments that qualify for overtime rates are any shipments unloaded or received at the warehouse/show site before 8 AM or after 4:30 PM on weekdays, anytime Saturday, Sunday or holidays or after ONE WEEK OUT. Additionally, when warehouse freight must be moved into the exhibit site on overtime, due to scheduling conflict beyond the control of Viper Tradeshow Services, or show move in or move out times are after 4:30 PM on weekdays, on Saturday, Sunday, or Holidays overtime charges will apply.

### Material Handling / Special Handling Definitions

**Material Handling:** Movement of goods. This includes receipt of your freight, delivery to the booth, storage and return of empty crates/boxes, and reloading.

**CWT:** 'Hundred weight' - a unit of measurement for weight, equal to 100 pounds.

**Storage Terms:** Exhibitors may hand deliver their own materials to the exhibit facility through the front doors. The use or rental of dollies, flat trucks or other mechanical equipment is not permitted. Viper Tradeshow Services must control access to the loading docks in order to provide a safe and orderly move-in/out. Material handling fees must be paid in full for any materials that require empty storage.

**Multiple Shipments:** Any shipments received from multiple locations or received at different times/dates are considered separate and will be assessed multiple Material Handling minimums. No cumulative weights will be allowed on minimums or split shipments.

**Ground Loading/Unloading:** Vehicles that are not dock height preventing the use of loading docks, such as U-hauls, flat bed double drop trailers, company vehicles with trailers that are not dock level, etc.

**Constricted Space Loading/Unloading:** Trailer loaded "high and tight" shipments that are not easily accessible. Freight is loaded to full car trailer – top to bottom, side to side.

**Designated Piece Loading/Unloading:** Drivers that require the crew to bring multiple pieces of the freight to the rear of the trailer to the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded sequence to ensure all items fit.

**Stacked Shipments:** Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or "cubed out" shipments, loose items placed on top of crates and/or pallets constitute special handling.

**Shipment Integrity:** Shipment integrity involves shipments on a carrier that are intermingled or delivered in such a manner additional labor is needed to sort through and separate the various shipments on a truck for delivery.

**Alternate Delivery Location:** Alternative delivery location refers to shipments that are delivered by a carrier that requires us to deliver shipments to different levels in the same building, or to other buildings in the same facility.

**Mixed Shipments:** Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for this shipment but does require special handling.

**"No Documentation":** Shipments arrive from a small package carrier (including, not limited to, FedEx, UPS, DHL) without an individual Bill of Lading or shipments without a certified weight ticket which requires additional time, labor and equipment to process.

**Difference Between Crated and Uncrated Shipments:** Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped and/or unskidded without proper lifting bars and hooks.

# EXHIBITOR APPOINTED CONTRACTORS (EAC) GUIDELINES

**\*Please complete and return both EAC forms\***

Viper Tradeshow Services, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed Official Service Contractors to perform and provide necessary services and equipment. Official Service Contractors are appointed to: ensure the orderly and efficient installation and removal of the overall exposition, assure the distribution of labor to all exhibitors according to need, provide sufficient labor to satisfy the requirements of the exhibitors, and for the exposition itself, see that proper type and limits of insurance are in force, and avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractors will provide all usual trade show services, including labor. Exceptions are: the exhibitor may provide supervision; exhibitor may appoint an exhibit installation contractor or display builder.

**Exhibitors may employ the service of independent contractors to install and dismantle their display, providing the exhibitor and the installation and dismantling contractor comply with the following requirements:**

1. Exhibitor must notify in writing to Viper Tradeshow Services the intention to utilize an independent contractor (EAC) no later than 14 days prior to the first move-in day, furnishing the name, address, and telephone number of the firm.
2. EAC agrees to comply with all the rules and regulations of the show outlined in this agreement, the Exhibitor Kit, including all union rules and regulations and accept liability for any negligent actions.
3. EAC must provide certificates of insurance confirming the following required insurance:
  - i. Commercial General Liability, including contractual liability, with a minimum limit of \$1,000,000, \$2,000,000 general aggregate and \$2,000,000 products and complete operations aggregate.
  - ii. Automobile Liability with a limit of not less than \$1,000,000 combined single limit, each accident. All owned, hired, and non-owned boxes marked.
  - iii. Workers Compensation, as required by law, with Employers Liability limits of not less than \$1,000,000.
  - iv. Umbrella/Excess Liability with a limit of not less than \$1,000,00 each occurrence/aggregate.
  - v. All policies (except Worker's Compensation) will name Viper Tradeshow Services (Official Service Contractor), Show Management, Show, and the Facility as additional insured on a primary and non-contributory basis.
4. EAC agrees to indemnify, defend, and hold the Show Management, the Facility and Viper Tradeshow Services harmless from and against all claims, lawsuits, demands, liability, costs, and expenses including reasonable attorney's fees and court costs, arising out of EAC's operations. EAC also agrees to reimburse Viper Tradeshow Services for all attorney fees and costs incurred in connection with all claims, lawsuits and counterclaims that should arise out of EAC's failure to adhere to the terms of this agreement.
5. Exhibitor agrees that they are ultimately responsible for all services in connection with their exhibit, including freight, drayage, rentals, and labor.
6. The EAC must have all business licenses, permits and Workers' Compensation insurance required by the state and city governments and the convention facility management prior to commencing work, and shall provide Show Management with evidence of compliance. If the EAC fails to provide the necessary documentation required, the Exhibitor will be required to use Viper Tradeshow Services for such services at the rates published in the Exhibitor Kit.
7. The EAC will provide Viper Tradeshow Services the number of on-site employees at the time of check-in and see that they have, and wear identification badges as determined by Show Management. No EAC will be permitted on the exhibit floor during show hours without the proper exhibit badges supplied by the exhibiting company.
8. The EAC shall be prepared to show evidence that it has valid authorization from the exhibitor for services. The EAC may not solicit business on the exhibit floor.
9. EAC/Exhibitor may not move freight from one booth to another booth or anywhere else within the Facility, Viper Tradeshow Services must provide labor.
10. The EAC must confine its operations to the exhibit area of its clients. No service desk, storage areas or other work facilities will be located anywhere in the building. The show aisles and public spaces are not a part of the exhibitor's booth space.
11. The EAC shall provide, if requested, evidence to Viper Tradeshow Services that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The EAC must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.
12. EAC will be responsible for all reasonable costs related to its operation. Where applicable a one-hour minimum labor charge will be charged at the appropriate labor rate per union to either the EAC or Exhibitor.
13. The exposition floor, aisles, loading docks, service and storage areas will be under the control of the official service contractor, Viper Tradeshow Services. The exhibitor appointed contractor must coordinate all its activities with Viper Tradeshow Services.
14. For services such as electrical, plumbing, telephone, cleaning and drayage, no contractor other than the official service contractor will be approved. This regulation is necessary because of licensing, insurance and work done on equipment and facilities owned by parties other than the exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.
15. The EAC/Exhibitor should order services/rentals from Viper Tradeshow Services and the Facility vendors in advance. Ordering services onsite, which Viper Tradeshow Services may not be prepared to provide immediately upon request) may delay the set-up of the booth or force the setup into overtime.
16. The EAC/Exhibitor should arrange the protection of the product in the booth.
17. The EAC/Exhibitor should label empty containers/crates for storage as soon as they are ready. Holding back on empties adds to congestions to the aisles. Viper Tradeshow Services is not responsible for items left unattended on the show floor or any items stored in empty containers.
18. The EAC/Exhibitor agrees to turn in all outbound bills of lading at the Viper Service Desk on a timely basis. Turning in large amounts of freight bills at one time may delay the outbound loading and subsequently force the loading out into overtime.

**I have read the Exhibitor Appointed Contractors section of this manual and understand the terms and conditions. I understand that all the contractors listed above must be approved by Viper Tradeshow Services. I understand it is my responsibility to see that each representative from any EAC for my company abides by the rules and regulations of the event. I also understand that any EAC listed above that is not approved by Viper Tradeshow Services will not be permitted on the floor.**
